

ADDITIONAL UNIVERSITY/STUDY SUPPLY LIST (1.) INVERTEBRATES

The coding on this list is identical to that shown on other lists.

Animals on this list are chosen specifically for study and research. They are prime selected specimens in first class condition. The prices shown are for LIVING ANIMALS. Prices are exclusive of carriage. PRESERVED ANIMALS, using formaldehyde solution as the preserving agent, can be supplied from this list at an additional 5% of the stated cost. Freight charges on preserved animals are far less than living specimens.

Quantity Discounts: 10% on 48 of one species, 12½% on 100 of one species, 15% on 250.

THIS LIST IS A SUPPLEMENT AND NO WAY CANCELS PREVIOUS LISTS

* TYPED PRICES IN NEW PENCE - SCRIPT PRICES IN U.S.CENTS. *
